Section 3: verses 8-11

8: How did Lehi feel after he said Nephi would go?

Happy

11: What is casting Lots?

A way of making a choice

Who was chosen?

Laman

What did Laman decide to do?

Go to Laban's house and talk to him

Casting Lots Activity

Draw straws or flip a coin to show how you can make a choice by "casting lots". Explain how Nephi and his brothers didn't draw straws for flip a coin - we don't know exactly how they would cast lots, but it was something similar to this.

To Sum Up:

Lehi was happy with Nephi's attitude. Nephi and his brothers went up to the land of Jerusalem. They cast lots and they fell on Laman. He decided to go to the house of Laban and talk to him about the plates.

They were mad and started hitting them with a rod.

29: What happened next?

An angel came and spoke to them

What did the angel say to Laman and Lemuel?

Why are you hitting your younger brother? He is going to be a ruler over you because he chooses the right more. Go back to Jerusalem and the Lord will help you

The brothers hid in a rock. Laman and Lemuel started beating Sam and Nephi. An angel appeared and told them to stop hitting them and go back to get the plates, that the Lord will provide a way. Laman and Lemuel started murmuring again after the angel left.
