# Wants vs. Needs

---

Week 3 of 40

## Activity

Play a board game or card game together! Winner gets a massage from the other!

## Advice

There is a huge amount of merchandise for babies out there, but how much of it does your baby really need?

Hand me downs, garage sales, and Craigslist! Ask around before buying a lot of things for baby brand new, you can save tons of money!

What your baby really needs most is your love and attention!

## *Discussion Points*

- *What does a baby really need?*
- *Are you ok with using used baby things, like clothes, blankets, furniture?*
- *Where is all this stuff going to go?*
- *If there is one want you really want to get for baby, what would it be?*

## Goal

Talk to some friends and family members who have recently had a baby and ask what they really used and what they didn't. Make a list of things you need and a list of fun things you would like to get. Set a goal together now about spending, so you can save money and worry down the road!
