
Costs / Insurance

Week 8 of 40

Activity

Where do you want to be 5, 10, or 15 years from now? Sit down and talk about your dreams and ideas! Make some goals now to help you achieve those dreams!

Advice

Babies can be expensive! Don't be afraid to ask for help if you need it!

If you have saved up money to start a family, spend wisely!

Don't be afraid to look into temporary financial assistance from the government if it is something you really need!

If your budget is super tight, check out your local WIC program for food assistance!

Discussion Points

- *What costs does our insurance cover?*
- *Are we able to pay the rest? How do you feel about temporary assistance from the government?*
- *What is going to happen to our budget after the baby is born?*
- *Is mom going to stay home with baby, or continue to work and hire a nanny or daycare service? What are the costs of that?*

Goal

Do you have a budget now? If you do or don't check out this website to get some great financial advice, and improve your budget!
