#### How to make File Folder Game 4:

1. Color all three sheets.
2. Cut out all of the shapes and words on the page without the border. Keep the punctuation by the words by leaving a small amount of paper uncut. Cut "Dear Heavenly Father..." into 3 words.
3. Mount the two pages with border onto an open file folder.
4. Glue the game label onto the file folder tab.
5. Laminate the inside of the file folder and the pieces.
6. Place a small piece of Velcro or magnetic tape, to each shape on the file folder. Place the other side of the Velcro or magnet to the back of the pieces.
7. Store pieces in an envelope taped to the back.
