

Love Birds

Volume 12

Good, Better, Best

First Week:

Together, read Elder Oak's talk entitled "Good, Better, Best". Talk about how that could apply to you as individuals and then in your marriage. Write a list of at least 3 concrete examples in your marriage of good, better and best. It could be a good, better, and best way to react to a situation, or a good better and best meals to eat...basically it can be anything!

In-Between Weeks :

Husband ~ I. Doctrinal Foundation. Review the 13th Article of Faith, and Revelations 3:16, how do those apply to the Good, Better, Best talk? Review and make a couple notes, for the friend week! You will give a mini lesson!

Wife ~ II. Strengthening Marriage. What is something you can do tonight that is "best"? Do it! Maybe it can be going to the temple for FHE - we always love doing sealings together! We tell people that nothing is better than holding hands with your sweetheart in the temple all night!

Friend Week :

Invite another couple or two (or more!) to come over to play Bigger Better! Invite your guests first to have a discussion about Good, Better, and Best in their marriage and maybe share one example they feel they do best, and how they do it. Then spilt into groups and give each group a penny. Set a timer (30-60 minutes), and in that time go to different houses and ask if they would be willing to trade that penny for something bigger or better. Whoever gets the most unique best item at the end wins! End the night with a yummy treat!
